1992
Annual Report

McLEAN COUNTY
REGIONAL PLANNING COMMISSION
The McLean County Regional Planning Commission is pleased to present its 25th Annual Report covering the activities for the year ending December 31, 1992. January 1, 1993 will begin a new era for planning in McLean County. At that time the Commission membership and staff responsibilities will be reorganized to implement a new focus on citizen involvement and long-range planning issues.

The past 25 years have witnessed the maturing of the cooperative planning effort between the three major units of local government in McLean County. We believe that it has been fortunate for the County that this planning program was in place when the area was experiencing unprecedented growth and that the plans that have been made, and are being made, will help guide future growth for the next 25 years.

The staff and the Commission are indebted to those responsible for the cooperation of all units of government and of those individuals who have given so generously of their time and talents in furthering this important work.

RESPECTFULLY SUBMITTED:

PATRICIA ANN “SUE” BERGLUND  
CHAIRPERSON

BRADLEY B. TAYLOR
